[NOTE]

- Courses noted as 'Not Available' in the list should not be registered. Even if you registered for the courses, the department office may reject/cancel your registration. Please check the "NOTE" of each course.
- Some classes may be added or canceled, so please check the list below frequently.
(Check the latest update date above.)
- Students are allowed to take classes in all grades.
- Please note that Course Registration is based on a first-come, first-served basis.
- All students register for the courses simultaneously so that the course registration may be competitive.
- Please consider that you may not register for the courses you prefer.
Some European students' "Learning Agreement" is not the same as your course list in INU.
You should register the course that you need successfully during the course registration period.
- We suggest you prepare several studies plans just in case.
- Please check the attached file "How to register courses" to get more information.
